Zeppos has a listed telephone number is Calif. but Nevada hasn't called in about seven months and can't remember same.

Nevada asked us to "check out" a male named DAKIN from Newport, Delaware who is supposed to be a Correction Officer thereat & does supply many youths between New York and Dealaware & possibly Baltimore, Maryland...
Nevada states that information previously reported in PMD2-1560 was that a Det BRENNON 16 Squad "ripped off" a fag named MITCHELL. Mitchell stated same to Nevada during a conversation and Mitchell is the person that will corroborate the information that JOHN BEARDSLEY and the others (DOA from homicide 1-73) were into drugs with SHELLY BLOOMM which may account for their being killed. Mitchell is currently in Europe but would give the info if PO Johnson were introduced as a fag.(Det Rothstein may not pass as a fag)...
Nevada further states that he has had absolutely no contact with any member of the press relative to the homicide information which could verify that info received by the undersigned from ARTHUR BELL(PD313081)was independent
Subject further states that MIKE SALEM lives in Westchester in a house once owned by his mother. (to be verified)
A male, white named FREDDIE ~~FILEDS~~ FIELDS is known to both Dickter & Nevada. Subject lives in Jersey City on Palisades Ave and was present when W. Fields at one time lived w/ JOEY SCHWARTZ for a period of six(6) months. Nevada lived / the youth for about nine(9) months. Also, the youth lived jointly w/ JAY LAZARUS & J. Scwartz.
